GLOBAL CHALLENGE FOR FEMALE BIKERS

[Next Story](#) | [Previous Story](#) | [Back to list](#)

10:30 - 22 February 2005

Women bikers who have been affected by breast cancer are being urged to take part in a charity event.

Organisers of the Changing Gears Global Challenge are looking for people to take part in the UK leg, which runs from London to Edinburgh, in August.

All funds raised from the UK will go towards the Lavender Trust at Breast Cancer Care, which raises money specifically to fund information and support for younger women with breast cancer.

Closing date for applicants is March 15. For details, call 020 7384 2984 or visit:

www.changinggears.org
